

Tata Power DSM Programme bags National Award for 'Innovative Energy Saving Service' at the CII National Award for Energy Management 2014

Tata Power's Demand Side Management (DSM) Programme in Mumbai has been awarded with the 'Innovative Energy Saving Service' Award at the 15th National Award for Excellence in Energy Management 2014. Mr. K Pradeep Chandra, Special Chief Secretary to Government of Telangana and Commissioner for Industrial Promotion, Industries and Commerce Department, presented the award to Tata Power.

Post being shortlisted for the category, Tata Power set-up a stall at the event showcasing its numerous activities to the dignitaries. The DSM team also delivered a presentation at the event which highlighted the various innovative attributes of its DSM service.
